# About the Project

“Go On” is a training course aiming at empowering ex-European volunteers and people that got inspired by them that are active in their local communities to explore possibilities of setting up internationally.

It aims to offer detailed and complete information about the different possibilities offered by Erasmus+ in the youth field, focusing on KA1. Also, it will put particular emphasis on the philosophy, structure, and characteristics of the Programme.

Beyond the lack of information itself, far too often there are difficulties in matching specific ideas and needs with actual opportunities provided by the Programme.

Likewise, many organizations and promoters still have trouble recognizing the long-term process of designing, applying for, and managing quality projects.

# Objectives

- To present the Erasmus+ Programme in the framework of European youth policies and strategies.
- To explore the opportunities offered by the different sub-actions of KA1 of Erasmus+, focusing on their ability as a vehicle to transmit the common fundamental values to our society.
- To stimulate the practice in the management of international projects.
- To boost mobility and learning opportunities within the framework of Non-formal Education.
- To enable participants to reflect on their learning and to learn more about Youthpass – the strategy on the recognition of non-formal learning in the youth field, its technical tool to produce Youthpass Certificates, and its application in KA1 sub actions.
- To offer the opportunity to meet potential international partners to develop future projects.

# Venue

We will stay in the youth hostel "Alonso Quijano", located in Ossa de Montiel, right at the foot of a beautiful lake Laguna de la Colgada.

You will share 3-bed dormitories with people from other countries but the same gender.

Rooms are equipped with bedsheets but you need to bring your own towel. Accommodation and the meals are fully covered by the Erasmus+ programme

[Here](#) you can find more information about the accommodation.
